

**AWI**

The diagram illustrates the electrical connections between four components. At the top left is a rectangular box labeled 'AWI'. Below it is another rectangular box labeled 'NAGYFESZÜLTSGŰ GYŰJTŐ'. To the right of these boxes are two vertical lines representing 'TEST' and 'MUNKAKÁBEL'. Two horizontal lines connect the 'AWI' box to the 'TEST' line. Two horizontal lines connect the 'NAGYFESZÜLTSGŰ GYŰJTŐ' box to the 'MUNKAKÁBEL' line. A diagonal line, representing a switch, connects the bottom line of the 'NAGYFESZÜLTSGŰ GYŰJTŐ' box to the 'TEST' line. A solid dot is located at the intersection of the top line of the 'NAGYFESZÜLTSGŰ GYŰJTŐ' box and the 'MUNKAKÁBEL' line.
